Sure Steel, Inc.
9632 South 500 West
Sandy, UT 84070

Dear Mark:

I am writing this letter to outline your current surety bonding program for your use with prospective general contractors and project owners.

Sure Steel, Inc. enjoys a line of credit with the INSCO-DICO Group of \$8,000,000 for a single project with an aggregate bonding line of \$20,000,000. Based on current underwriting conditions, we can provide 100% performance and payment bonds at least to these amounts, subject to your and our review and acceptance of the final contract documents.

Every project Sure Steel, Inc. has undertaken has been completed with no loss to any surety. In fact, in the fourteen years I have worked with Sure Steel, Inc., I am not aware of even a single dispute where the bonding company has been involved.

I am pleased to be in a position to recommend Sure Steel, Inc. without qualification. I welcome any additional inquiries or questions regarding your bond program.

Sincerely,
